

## Event Invitation

### Human Rights in the Finance Industry

**What is the human rights component of sustainable finance?** We would like to invite you on International Human Rights Day, **Dec. 10<sup>th</sup>, 2019**, to discuss the role of human rights for the finance industry. The event is organized by the Geneva Center for Business and Human Rights at the Geneva School of Economics and Management (UNIGE) in collaboration with the University of Sydney and Sustainable Finance Geneva.

We will introduce our research project on the development of human rights benchmarks for the finance industry, and look forward to a conversation with you about human rights practices and challenges in this industry in Switzerland. A cocktail reception will follow.

For more information about the event, the research project, and the research team please click [here](#).
